Pastor Mary's Thoughts

St. Mark is a spiritual life center. The place on Broadway is where we gather to renew our spiritual lives. We named ourselves the welcome place, the thinking place, the renewing place, the forgiving place, the caring place and the music place. St. Mark, the place gives us a location in which to seek God.

The vision was that many would flock to 248 Broadway to find a place of solitary quiet where a person could pray. Every Monday and Friday at 8:30 the open front doors could invite NFA staff, and Backus Hospital medical workers to come to morning prayer. NFA teachers could stop before starting their classroom work just to be in prayer. Many did not know about the gift of St. Mark as their the spiritual life center.

Perhaps if we had a sign out on the sidewalk saying open for prayer. But then last March we needed to close the building and put a sign on those front doors. The building is closed due to the fear of spreading the COVID virus. Yet there is a spirit here at the place. It doesn't have to do with the building because people of St. Mark are servants, lovers and disciples of Jesus Christ. We are passionately personal practitioners of religion. Our chosen instrument is prayer. Our lifelong quest is to experience the living God. We regard our search for God as the expression of what is most authentic within ourselves, as well as the greatest service we could pay to our fellow humans. If the greatest part of humanity is blind, is it not the truest form of love to show humanity a glimpse of light?

These past months have taught us that the spiritual life center is not connected just to the building at 248 Broadway. Prayer has become the main expression of our unity together. It is true that we continue to hold committee meetings using the phone or computers to let our voices be heard. It is true that we long for opportunity to sit in the pews to sing together. But our spiritual life is real and we have not missed praying together. When prayer is read or spoken in Preston, Franklin, Bozrah, Waterford or Norwich we are together in our spiritual life center. Prayer is holding us together. Prayer is moving us

## Advent

Advent begins November 29 and the season offers us twenty six (24 hour) days to honestly acknowledge our human condition of longing waiting and restlessness. Some of us have observed Advent for over 50 or 60 or 80 years and used the time to countdown to Christmas and opening our presents. We have come to the worship space expecting to light candle after candle until all four candles on the Advent wreath are in flame. But this year is different. We expect that St. Mark Worship will be virtual on Facebook and YouTube. The candles must be on our Advent wreaths on our dining room tables. Our Advent prayers will be spoken with our children or on zoom. St. Mark will provide a devotional reading sent to you by email. There are meaningful ways available to quiet our hearts and minds during Advent this year.

## Our Building and Property Need Your Help

For the first 3 months of the pandemic our building was closed and we didn't have an opportunity to tackle the spring cleaning and outdoor maintenance we typically do. In June, the property committee created a list of jobs that needed to be done. Many have been completed by volunteers but there are more to go. Please look over the following list. If you see a job that you're capable of doing, please take it on. You can work at your own pace when it is convenient for you. Some can be done alone. Others would be better as family projects. You can even team up with fellow church members and work as a team. Just be sure to wear masks and maintain social distancing when working with people other than your own family. Many needs have been completed. Please get in touch with Joe Churney if you want to take on a job or if you have any questions. Thank you.

1. Leaves in the parking lot need to be removed. ***Need a volunteer.***
2. Before winter The Garland Company are arranging for the contractor who will recoat and repair the areas of the domed roof section including the tower. Work will begin in the beginning of November.
3. Repair and repaint the exterior of the chapel cross-shaped window area. Not started. ***Need a volunteer.***
4. Install carpet nosing where pews were removed from sanctuary to prevent a trip hazard. Not started. ***Need a volunteer.***

## Lili Rafeldt Graduation

One of the quiet disciples of Jesus Christ here at St. Mark is Lillian Rafeldt. Over a number of years she has been a student at Yale University and Grand Canyon University working toward a Doctor of Clinical Nursing Practice degree. Having completed the studies most of which were completed on line she has received notification that the degree has been bestowed on her. There will not be a Grand Canyon University graduating ceremony due to COVID. To recognize this great accomplishment our congregation will honor her on November 1. Come to worship on All Saints Sunday and give your applause to Lillian.

## Concert Series

We are proud to present a virtual concert arranged by our music director, Ian Frenkel, who will be joined by our own Mark McCormick on bass and Chris Odell on drums. Special guest Robert Tolppi will also perform on the piano. Go to our website [norwichlutherans.org](http://norwichlutherans.org) and click on the concert series link.

## Outdoor Worship

We are adhering to both the State and the CDC guidelines for in person worship. We so want to be together and also take precautions to avoid the spread of the coronavirus, therefore we will worship outside. Find us on the front lawn with the music leaders social distanced from each other. The music and speaking parts are being amplified from speakers set up near the front steps. Everyone is welcome to bring their own lawn chair to sit on the front lawn or sidewalk. Some also choose to sit in their car. Face masks and social distancing are expected. If it's chilly bring a blanket and dress accordingly. Feel free to drive your car up the driveway if it's cold.

## Community Luncheon Grab and Go

Beginning December 1st the Community Luncheon Grab and Go will be held at St. Mark. This will take place by people entering the handicap door on the side of the building. There will be tables set up with food for them to take with them. They will go straight out the Memorial Hall Door to the parking lot.

The Community Luncheon supported by the Norwich Area Clergy Association provides a take-out lunch each Sunday. There is a free breakfast and lunch, Monday through Saturday given by St. Vincent De Paul but Sunday had no opportunity for those in need to have food. Many years ago the NACA began the practice of giving the meal on Sunday to those who live on the streets and those who have no other means of securing food. St. Mark has been involved with this important ministry from the beginning so many years ago. Lately the meals have been distributed from the parking lot of St. Vincent De Paul. St. Mark has joined with other congregations here in Norwich in providing for the needy. If you would like to be involved please talk to Pastor Mary or call the church office.

## Stewardship

Our stewardship campaign for 2021 has the congregation council acting as the committee. They have composed a letter laying out the desire and need to have all those who care about St. Mark fill out a pledge card. If for some reason you did not receive the letter intended for you please call the church office. This is what the pledge card looks like.

 <p style="text-align: center;"><b>Annual Stewardship Appeal 2021 Pledge Form</b></p> <p style="text-align: center;">In gratitude, I/we intend to give to God's work in and through St. Mark Lutheran Church.</p> <p>My/our estimate of giving will be:</p> <p>Weekly: \$ _____</p> <p>Monthly: \$ _____</p> <p>Total Annually \$ _____</p> <p style="text-align: center; font-size: small;"><i>Please keep this portion for your records</i></p>	<p>_____ Name (Please Print)</p> <p>_____ Street Address</p> <p>_____ City                      State                      Zip</p> <p>_____ Phone                      Email</p> <p>____ I would like to receive donation envelopes</p> <p>My/our estimate of giving for 2021 is:</p> <p>\$ _____ weekly</p> <p>\$ _____ monthly</p> <p>\$ _____ total annually</p>
